

## Professional Hairdresser – February 2009

**epionce**<sup>®</sup> LYTIC LOTION  
For Normal to Combination Skin

**SKIN**

The **Epionce** skincare range is a skin wellness line designed to work at the core of the skin's protective and reparative systems using botanical formulations. The latest addition to the range is Lytic Lotion, a treatment formulation to improve imperfections and restore the skin's texture and tone and is ideal for oily and acne prone skin.
