

## Top

"The length of the sleeves on this Bec & Bridge blouse is really flattering."

## Jewelry

"This is a combination of my favorite pieces—a Saint Laurent Arty ring, Alexis Bittar pavé necklaces, and long gold-and-pearl Chanel necklaces. I love their vintage touch."

## Bag

"This simple H&M envelope is so dainty and feminine, and I like the gold trim."

## Shoes

"One of my favorite color combinations is pink and orange. That's why I picked these Zara shoes."

## Jenny Bernheim

27, stylist and blogger, Margo & Me Bernheim had one wish when she saw the shorts: "A matching blazer," she says. "I'm obsessed with the geometric-print trend. You could put those shorts with a basic black top, but I wanted to think outside the box." So she added more color with a floral-print silk blouse and orange Zara shoes.
